OKALOOSA COUNTY SCHOOL DISTRICT

Mary Beth Jackson, Superintendent

Dear Parents or Guardians,

Our schools in Okaloosa County are heavily impacted with federally-connected students - those whose parents/guardians work on federal property in our county, live on federal property in our county, and/or are active duty military personnel. Because of this impact, Okaloosa County School District receives funds from the federal government to operate and maintain our schools and enrich school programs. To receive these funds, the U.S. Department of Education requires our school district to survey each student to determine eligibility.

Please be assured that all information collected is confidential and used only for the stated purpose. The Impact Aid Grant application provides only collective information on the numbers and locations of federally-connected students attending our schools.

For those parents/guardians on active duty in the Reserves or National Guard on Presidential orders on the survey date, please attach a copy of your orders to the form. You may black out all information except dates of active duty, name, rank, branch of service, and Title Number (USC Title 10 or USC Title 32). Otherwise, without a copy of these orders, we will not be able to receive funding on your child's behalf.

Your cooperation in returning this form completed and signed will be greatly appreciated. The more forms returned, the greater the amount of funds available to our schools for your child's education. If you have any questions, please feel free to call the Finance Department at 850-833-6310.

Sincerely,

Mary Beth Jackson
Superintendent of Schools
Okaloosa County School District
